

## One Dollar for Life

### How to Participate

- 1 Choose a Sunday in May (or any other Sunday this spring) to participate in this program. If May or this spring is not available, you may choose any other Sunday in 2016.
- 2 Choose a spokesperson in your church. Talking points for your spokesperson have been included.
- 3 Please duplicate the “One Dollar for Life” flyer (included) for your congregation. The flyers can be used as a bulletin insert or as a handout on the day of the presentation.
- 4 Show the short Mercy Multiplied DVD to portray Mercy’s vision.
- 5 Ask each individual family to make a special gift of \$30 or join the Mercy 360 Program at \$30 a month—giving one dollar a day for one month will help to provide the transformative care that the hurting young women we serve desperately need. *(When receiving checks, please ask that all checks be made payable to your church.)*
- 6 Collect all donations and send one check in the coded envelope to the address below. If you are giving online, please be sure to specify that the donation is for the “One Dollar for Life” Campaign.
