360. It's a number that means complete, all-around. It's the way Mercy Multiplied's

program for young women is designed to address the whole person—spirit, soul, and body. But in order for something to be complete, it has to have a starting point. A sure place to launch from.

That's where you come in! As a part of Team Mercy 360, you can provide that starting point a hurting young woman needs to find complete healing from destructive, life-controlling issues!

**The need
is serious.
Your support
matters!**

You may think that \$30 a month doesn't mean much...but it does! Now more than ever, young women are dealing with not just one issue, but *multiple* complex issues, *multiple* substance addictions, and a *greater* magnitude of trauma and PTSD.

For less than \$1 per day, you can be a part of a team that comes together and creates a powerful movement to see **thousands of lives transformed!**
