

2023 Annual Report

Mercy Multiplied

Mission Statement

Mercy Multiplied exists to provide opportunities and resources for all to experience God's unconditional love, forgiveness, and life-transforming power.

What We Do

Mercy has a Residential Program for women ages 13–32 and Outpatient Programs for men (Louisiana only) and women ages 13 or older. These services are voluntary, biblically-based, and free-of-charge. Through our Outreach Services we provide multiple resources online and onsite designed to equip men and women of all ages to live free and stay free in Jesus Christ.

2023 Accomplishments

1. Mercy Multiplied celebrated forty years of ministry in 2023 and continues to provide life-changing programs for young women in need through its Residential counseling Program. Our Intake Department fielded over 12,100 (phone calls, emails, texts) and processed nearly 900 applications.
2. We launched the Keys to Freedom Retreat in July, which takes place at our St. Louis, MO property. This 5-day retreat for women ages 18 and older offers a deep dive into the primary concepts shared in Mercy Multiplied's *Keys to Freedom* discipleship study.
3. In October, we celebrated the 1 year anniversary of our Mercy Center for Wellness and Counseling in St. Louis, MO where females ages 13 and older receive free outpatient counseling. We have served close to 350 clients to date through our Outpatient counseling Program in 2 locations and have hired additional counselors in each location to meet the increased demand of outpatient counseling. We continue to serve both men and women at our Outpatient Program in Monroe, LA.
4. Outreach Services continue to grow. We released updated/enhanced versions of our two core Outreach resources – MPower (through the *MPower eCourse*) and *Keys to Freedom* (through the *Keys to Freedom Teaching Series*). The *Keys to Freedom Teaching Series* was also released on the RightNow Media platform. This now allows for worldwide access to our two core resources.

2024 Goals

1. Enhance the Residential Program through added resources for parents and support persons, including a youth version of *Keys to Freedom*
2. Expand our offerings of the *Keys to Freedom Retreat* in St. Louis by adding additional focused retreats
3. Enhance current Mercy homes through capital improvements, which maintains Mercy's standard of excellence and communicates Christ's love to residents
